

# Programs

**Ceramics** - In these 6 - 8 week courses, you will develop skills in wheel-throwing, hand building, sculpting and glazing through demonstrations, one-on-one assistance and lots of practice. We have programs for all skill levels.

**Painting** - We offer painting programs in acrylics, oils, abstracts and watercolors. Our instructors will cover composition, technique, tools, color mixing, value and tonality to get great results. Students will learn through demonstrations, one-on-one assistance and practice.

**Kids and Teens** - Our kids and teens classes will let young artists explore various mediums to develop their artistic abilities in drawing, painting, mixed media, sculpture, wheel-throwing, hand building, glazing and more.

**Loom Weaving** - Master Weaver, Michael Daitch, works with students to design and weave a project on a floor loom in the Anton Art Center Gallery.

**Specialty Workshops** - We add workshops each month, so check back often.
