

VOLUNTEER CONNECTION

MAY 2025

THANK YOU!

As volunteer appreciation month comes to a close, we'd like to extend a giant thanks to all of you! Volunteers really do keep The Art Center thriving! And to the volunteers that joined us at our Annual Volunteer Appreciation Dinner, we had so much fun celebrating you!

A big shout out to all of you who lent a hand in the take down and installation of the Secondary Student and the DSWPS Shows. These are two immense exhibitions that you made possible for these incredible artists.
