

Art Classes at AAC

We strive to provide a welcoming space for students of all ages and abilities to get creative! Our classes are run by local artists and instructors to guide you in a wide variety of mediums with demonstrations, one-on-one assistance and lots of opportunity to practice your skills. We have programs for all skill levels and various times and class lengths to work with your schedule.

Ceramics - In these courses and workshops, you will develop skills in wheel-throwing, hand building, sculpting and glazing. Students will learn the techniques to create the projects that they choose.

Painting - We offer painting programs in acrylics, oils, abstracts and watercolors. Our instructors will cover composition, technique, tools, color mixing, value and tonality to get great results.

Kids and Teens - Our kids and teens classes will let young artists explore various mediums to develop their artistic abilities in drawing, painting, mixed media, sculpture, wheel-throwing, hand building, glazing and more.

Specialty Workshops and Private Classes - We add workshops each month, so check back often. Or contact us to schedule a private class or event.
