

# VOLUNTEER CONNECTION

May 2025

## Thank You!

April was exciting with the conclusion of the Secondary Student Show and the installation and Opening Reception for the Biennial Primary Student Show, and Congressional Student Art Show! Your efforts are appreciated by us, as well as the students of Macomb County who have the exciting opportunity to see their work in a gallery setting!

We are also grateful for your support at offsite events, making it possible for us to bring creativity beyond The Art Center walls and into the community!

To the volunteers that joined us at our Annual Volunteer Appreciation Dinner, we had so much fun celebrating you!
