

Volunteer Connection

July 2025

Thank you!

A special thank you to all of our Super SatARTday volunteers! One of our biggest events of the year would not be possible without great support from our community. We're very appreciative of everyone's hard work before, at, and after the event.

And a shout-out to our Art Market Volunteers: thank you for greeting our guests with a smile to help all feel welcome! We are very grateful for your time and enthusiasm.

ArtParty

We are currently organizing a volunteer schedule for our annual ArtParty event. Keep an eye on SignUpGenius for ArtParty volunteer opportunities coming soon!
